this book develops the communication and literacy skills of heritage spanish speakers with exercises that are designed to improve oral and written proficiency in the language nuevos mundos uses the cultures and voices of the major hispanic groups in the united states as well as those of latin america and spain to familiarize students with a variety of issues and topics which are sometimes controversial and always thought provoking

the workbook will provide a systematic tool for students to further practice writing particularly those items that are problematic for heritage speakers

the philosophy of this best selling introductory text is to emphasize communicative proficiency based on the natural approach the text stresses the use of activities in a natural and spontaneous classroom atmosphere in this comprehension based approach the development of receptive skills listening and reading precedes and forms the basis for the development of the productive skills speaking and writing dos mundos is designed so that class time can be devoted to exposing students to spanish through the abundant activities and readings in the text allowing the grammar explanations and exercises to be studied outside of class

for courses in spanish for native speakers this highly motivating and interactive text presents heritage speakers of spanish with authentic materials that highlight hispanic cultures within and beyond the united states unique in its approach to the development of the four language skills listening speaking reading writing the book offers students the opportunity to practice vocabulary and grammar consistently integrated with the content of the readings

mundo real is a four level high school spanish program that uses lively and compelling content images and video to teach the language that learners need to succeed in and outside

the classroom this workbook includes eight units that correspond to and reinforce the units in the corresponding student book workbook activities focus on reading and listening comprehension and written expression perfect for independent study in the classroom or at home

the philosophy of this best selling introductory text is to emphasize communicative proficiency based on the natural approach the text stresses the use of activities in a natural and spontaneous classroom atmosphere in this comprehension based approach the development of receptive skills listening and reading precedes and forms the basis for the development of the productive skills speaking and writing dos mundos is designed so that class time can be devoted to exposing students to spanish through the abundant activities and readings in the text allowing the grammar explanations and exercises to be studied outside of class

tu mundo immerses the intro spanish student in a culturally rich world full of opportunities to discover and explore the powerful connections between themselves and the people and cultures of the spanish speaking world students dive in to intensive communicative practice building confidence in their ability to interact in a meaningful way in spanish with access to a wealth of tools to support and guide their progress including video chat interactive online scenarios and an adaptive diagnostic program in addition students are able to create their own sense of community resulting in a unique individual experience that will evolve organically with each student sparking their natural curiosity about their world tu mundo employs a communicative methodology that focuses on developing all four skills supported by the best digital learning platform available today connect spanish because tu mundo was designed with today s students in mind students are more readily engaged with the content thanks to their avid use of web based tools their innate interest the cultures of other countries and their preference for visual presentations and quick access to information tu mundo reflects the world in which our students live where online learning social networking texting instant messaging mobile devices tablets online gaming and virtual scenarios are an integral part of daily life what are the pillars of tu mundo our extensive and ongoing research in the intro spanish course has led to the creation of tu mundo with a strong

emphasis on the 5 c s communication culture connections comparisons and communities tu mundo delivers content in a variety of ways in order to ensure consistent course outcomes across all course formats 1 improved communication performance skills by jumping directly into communicative practice at the beginning of every chapter students are encouraged to immerse themselves in the experience of active learning whether in a face to face or online classroom grammar is presented at the end of each chapter allowing students to study at home and work through the exercises in connect spanish for automatic feedback coming to class ready to engage in discussion this emphasis on communication in the classroom makes tu mundo the most effective communicative program on the market no other program commits to this methodology like tu mundo 2 creating consistent learning outcomes tu mundo offers a powerful adaptive learning system called learnsmart that allows students to identify grammatical structures and vocabulary words not yet mastered and to receive an individualized study program for mastering them students of all experience levels will benefit from using learnsmart which includes built in reporting and a competitive scoreboard connect spanish voice board and blackboard instant messenger bbim both powered by wimba ensure that students are getting ample practice time no matter where their classes take place 3 building community and connections between students creating a sense of community in the face to face or virtual classroom is a huge part of language learning and something that tu mundo does implicitly whether students collaborate in a physical classroom or in connect spanish they are provided with opportunities to engage in meaningful conversations and collaborative task based activities the amigos sin fronteras a cast of young hispanic students that share common interests are featured throughout the entire program and showcased in the así somos video segments through the amigos sin fronteras students are exposed to a friendly model on how to apply what they are learning to another friendly group of students i e their own class in addition tu mundo presents an interactive online environment that applies engaging content and task based scenarios that enable you to practicing your language skills in a fun immersive way thus students can practice spanish in a context that is not only fun but extremely motivating 4 more culture and comparisons coverage culture is so often left behind so tu mundo offers it throughout the program each chapter features a country of focus which doubles as the home country of

one of the fifteen amigos along with in chapter cultural sections every chapter of tu mundo features a second video segment called mi país within connect narrated by the amigos themselves as they share information about their native countries this window into the lives of the amigos provides a point of comparison for you to describe your own life the mundo interactivo scenarios represent a variety of cultural contexts in which you can interact with language and culture in a way that is meaningful to you

turns grammar review into a fun culturally enriching experience by placing it in a realistic meaningful context this is achieved through the inclusion of brief readings lots of realia and photos and profiles of famous hispanics self contained chapters allow instructors to cover material in whatever order they prefer crystal clear grammatical explanations are immediately applied in dialogues and prose english is used to help clarify more difficult points direction lines and exercises are written entirely in spanish unique escenas illustrate vocabulary and provide a springboard for conversations and activities for example a busy restaurant and buying clothes closely coordinated with the accompanying reader and workbook to reinforce key grammatical and vocabulary points

mundo real is a four level high school spanish program that uses lively and compelling content images and video to teach the language that learners need to succeed in and outside the classroom this workbook includes eight units that correspond to and reinforce the units in the corresponding student book workbook activities focus on reading and listening comprehension and written expression perfect for independent study in the classroom or at home

mundo real is a four level high school spanish program that uses lively and compelling content images and video to teach the language that learners need to succeed in and outside the classroom this workbook includes eight units that correspond to and reinforce the units in the corresponding student book workbook activities focus on reading and listening comprehension and written expression perfect for independent study in the classroom or at home

the cuaderno de actividades is intended for use primarily outside the classroom this combined workbook laboratory manual features actividades escritas actividades auditivas resumen cultural pronunciacion y ortografia videoteca and lecturas the preface in the cuaderno de actividades provides a detailed description of all sections and types of activities this version of the cuaderno covers the second half the book capitulo 8 capitulo 15

this highly motivating and interactive book presents heritage speakers of spanish with authentic materials that highlight hispanic cultures within and beyond the united states key topics unique in its approach to the development of the four language skills listening speaking reading writing the book offers learners the opportunity to practice vocabulary and grammar consistently integrated with the content of the readings for native spanish speakers as well as advanced non native learners of the language
